The reimagined Spruce brings modern prairie style to Rosewater Ski Community. Step inside to a foyer and living room that open all the way to the second floor, with a fireplace and a two story wall of windows across the back. The kitchen is made for gathering, with a big island and eating bar, a 48 inch range, a pot filler, and a butler's pantry with a prep sink and beverage fridge, plus a separate walk-in pantry. Two primary suites give you options, one on the main floor with a soaking tub and walk in closet with stackable laundry hook-ups and one primary upstairs with its own ensuite and walk-in closet. Upstairs you'll also find two more bedrooms, laundry room, and huge media room. Enjoy beautiful summer nights overlooking the ski lake from your patio.

This is a representation of the Spruce plan, actual build may vary and is subject to change without notice. Selections are made at frame stage and are final.
