The newest plan in our **Mountain Modern** collection combines classic farm elements with a modern edge. The great room's dramatic vaulted ceiling share the spotlight with a fireplace* and the natural light of Big Sky Country shining through expansive windows. An oversized patio off the great room enhances this home's entertaining space. The innovative kitchen boasts 9-foot ceilings, a generous island, and a walk-in pantry. A private main-level Owner's Suite features 9-foot ceilings with a luxurious attached bath and walk-in closet. Family and friends will enjoy the upper level with a bonus room, three additional bedrooms and full bath. A spacious mud room with laundry is designed for comfort and convenience off the fully finished two car garage.
