Lot 112 Overview:

Elevate your lifestyle in this stunning two-story modern home! The expansive main level boasts a massive kitchen with a generous island, a chic butler's pantry, and a roomy pantry for all your culinary needs. Indulge in luxury on the lower level, where the primary suite features a lavish bath with a convenient hookup for a stackable washer and dryer. Head upstairs to discover a second primary suite, a media room with storage, and three additional bedrooms.

With a full bath, a convenient half bath, and a spacious laundry room on the upper level, this home seamlessly blends style with practicality. Experience modern living at its finest in this sophisticated and spacious abode!
